Civitanians seek to be more informed about their communities and improve themselves through lifelong learning. Civitan programs range from community issues addressed by local government, business and media leaders to personal and professional development seminars.

Through informative programs Civitanians learn about the needs of their community and, as concerned community leaders, Civitanians focus their efforts on deserving causes.

- ❖ Social Security Update, presented annually
- ❖ St. Vincent DePaul

Fellowship

Fellowship is an important part of a growing, productive service club, and Civitan offers its members many opportunities to socialize and meet new business associates.

Working together on club projects is fun, and there is always time to enjoy the company and time of other members and guests at club meetings. However, throughout the year, Civitanians plan special evenings for members and guests to socialize and have some non-meeting fun.

Here is just an example of some of Civitan's fun activities:

- Club and State-wide Meetings
- Christmas Party in December
- Bi-weekly luncheons with Guest Speakers
- District & International Conventions
