Anthony G Massoud, 2008-09 President
Dayton Civitan Club
511 Valewood Ln
Dayton OH 45405-1754

Congratulations on your club's achievement as an **Honor Club** for the 2008-09 Civitan year! Your international board and staff extend our gratitude to your members for your club's hard work and dedication.

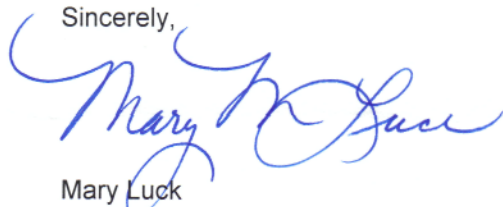

We realize the great efforts required to achieve this accomplishment, and it is well deserved. Your members ensured the name CIVITAN meant something within your community. Not only did your club provide tremendous service to people in your community, but your members touched the hearts and lives of others.

I hope that you will bring this letter to your next club meeting and express the congratulations of your international board and staff for the tremendous efforts of your members in the name of our wonderful organization, Civitan International.

Very few outstanding clubs achieve high standards without a strong leader to guide them. As 2008-09 president, you earned recognition as a Distinguished President. Presidential Awards are being shipped to your 2008-09 district governor along with the club's banner patch. I am confident that the appropriate time will be arranged for presentation in the near future, if it has not already taken place.

Congratulations again to your club for its outstanding year of service. And congratulations for leading your members to a banner year. I am so very proud to be united with an organization that includes such outstanding clubs and people like your members.

Sincerely,

Mary Luck
Vice President
Conventions, Campus and Youth
